Welcome Message

Dear colleagues,

On behalf of the Organizing Committee, it gives us great pleasure to invite you to Asian Pacific Association for the Study of the Liver APASL Oncology 2022, (APASL Single Topic Conference) in Takamatsu which will be held on September 1-3, 2022 in Takamatsu, Japan. We are delighted to welcome you to the attractive "Shikoku" island, the west-south part of Japan.

The scientific program will consist of invited lectures, plenary sessions, symposia, and free papers on significant developments on the theme of "Liver Cancer: Clinical and Basic Research". The program will also provide the latest information and fresh ideas for hepatologists and oncologist in this area.

The conference encourages the submission of abstracts on research for oral and poster presentations through the conference website: http://apaslstc-takamatsu2022.org. We would appreciate your submission and anticipate a large number of entries, which will stimulate active discussions. We would accept all categories of abstracts of Hepatology and Oncology, Liver Cancer from the broad point of view of both clinical and basic research, including case reports.

The delegates of experts from all over the world are expected to attend this conference. We are sure that this will provide an excellent opportunity for those of us in the Asian Pacific region to share the latest views, values, experience and practice, and greatly contribute to this field. We are looking forward to seeing you in our charming city, Takamatsu.

With warmest regards,

Tsutomu Masaki
