Welcome Message

Dear Colleagues,

On behalf of the Organizing Committee, it gives us great pleasure to invite you to Asian Pacific Association for the Study of the Liver APASL Oncology 2023 Sendai, which will be held on October 27-28 2023 in Sendai, Japan. We are delighted to welcome you to the attractive city of Sendai.

The scientific program will consist of invited lectures, plenary sessions, symposia, and free papers on significant developments on the theme of "In Search of Silver Bullet for HCC". The program will also provide the latest information and fresh ideas for hepatologists.

The conference encourages the submission of abstracts on research for oral and poster presentations through the conference website: <http://www.apasl-oncology2023.org>. We would appreciate your submission and anticipate a large number of entries, which will stimulate active discussions. We would accept all categories of abstracts of Hepatology, including case reports.

The delegates of experts from all over the world are expected to attend this conference. We are sure that this will provide an excellent opportunity for those of us in the Asian Pacific region to share the latest views, values, experience and practice, and greatly contribute to this field.

We look forward to welcoming you in Sendai.

With warmest regards,

Yoshiyuki Ueno, MD, FAASLD
